Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Saturday 06 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy and cloudy with rain arriving into the evening.

Today:
Largely cloudy and mild with strengthening winds and gusts. A few showers still possible along coasts, with a band of light rain arriving later in the afternoon and evening. Maximum temperature 14 deg C (57 deg F).

Tonight:
Patchy rain continues south, clearing the region in the final hours of Saturday. Clear intervals follow, but remaining breezy through the night, helping it to feel cooler than Friday night. Minimum temperature 7 deg C (45 deg F).

Sunday:
A dry day with sunny spells and generally feeling fresher than Saturday. Remaining breezy through the day, but winds finally easing into the evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Cloudier on Monday with patchy rain in the west later. Winds strengthening again on Tuesday and turning milder. Further patchy rain spreading south on Wednesday with brighter conditions following.
